Daughters—Personals.

At noon Tuesday St. Andrew's Epis-  
copal church was the scene of an un-  
usually pretty wedding when Miss  
Florence Bowker, daughter of John  
Bowker of No. 380 Central avenue, and  
William James Hamilton of 261 Central  
avenue were united in holy wedlock by  
Rev. F. John Bohanan, rector of the church.  
The ceremony took place before

for a week's trip to Taunton, Mass.,  
and on their return they will reside at  
261 Central avenue. Mrs. Hamilton

## Appropriations for School Districts

Amounts which the Board of School Visitors and Select-  
men Estimate will be Sufficient to Run the Districts

On Tuesday evening there was an  
adjourned meeting of the boards of  
town school visitors and selectmen in  
the office of the selectmen for the pur-  
pose of completing their estimate of  
the amounts necessary for the several  
school districts of the town for the  
next school year. A number of the  
districts had been decided upon last  
week, but not until Tuesday evening  
were the remainder fixed. The esti-  
mates make a grand total of \$41,700,  
which is about \$3,000 more than was  
estimated for the past year, although  
that amount, \$38,682, had to be in-  
creased by \$3,000 or more for the ben-  
efit of the Wagonwheel school district  
at Taftville because of the burning  
of the parochial school there. The  
coming year the amount there will be  
largely because of the same reason.  
The new parochial school not being  
completed.

The amounts for the several dis-  
tricts in comparison with those of the  
past year are as follows:

	1938.	1939.
Central	\$18,000	\$18,000
West Chelsea	14,000	14,000
Wagonwheel	5,682	8,682
Greenville	7,400	7,000
Town Street	2,965	2,595

\*Increased during year.

In seven districts besides Taftville  
additional teachers are to be secured  
in several of the districts. The  
Bridge district has an additional  
school building and teacher. Green-  
ville gets \$400 more, Town street \$360,  
West Town \$440, East Great Plain and  
Long society \$100 each, bridge dis-  
trict \$250, and Yantic \$20. The  
amounts will be fixed in October.

There were several in attendance  
from Occum regarding the school dis-  
trict there, which is a joint district  
with Sprague and Lisbon, and there  
was an informal discussion regarding  
the conditions there, but nothing was  
done by the board deciding they would  
go there and look the situation over  
more thoroughly before deciding.

4 o'clock when the marriage of Miss  
Olive Frances Adams, daughter of Mr.  
and Mrs. Henry J. Adams, of No. 7  
Bowwell avenue, and Robert Palmer

Tyler Richards, Dyer Potter, Albert  
Brown of Hartford and Joseph S. Ad-  
ams, a brother of the bride, followed  
by the bridesmaids and maid of honor,  
Everett H. Adams, of Groton, entered  
the church by the north aisle, meeting  
the bride party at the altar, beauti-  
fully decorated with laurel and white  
plants, where the ceremony was im-  
pressively performed by Rev. C. H.  
Ricketts, pastor of the Greenville  
Congregational church.

The bride wore a beautiful gown of  
white messaline, her veil being carried  
with orange blossoms, and she carried  
a bouquet of white roses. The groom  
wore a tuxedo and carried a sword.

Free Academy and Mr. Potter is pre-  
sented in the real estate and

best man and ushers artistic scarf  
pins and the bride gave to her attend-  
ants beautiful gold pins.

early evening for a wedding tour in  
Europe. Their return will be upon  
Francis court, off Perkins place.

### RHO ALPHA MU DANCE.

Given at Miller's and Greatly Enjoyed.

A dance given at Miller's Tuesday  
evening by the Rho Alpha Mu club, was  
a very successful affair. The evening  
was very cool and the weather was  
just what was needed. The dancing  
was very successful and made a deli-  
cious evening. The dancing was very  
successful and made a delicious evening.  
The dancing was very successful and  
made a delicious evening.

The color scheme of decorations,  
blue and gold, the fraternity colors,  
were predominant, and college pen-  
cils and letters were seen best man,  
the wife with artistic effect. Thomas G.  
Brown, Benedict C. Pullen and Wil-  
liam H. Perry were the committee in  
charge. Fruit punch was served dur-  
ing the evening, and ice cream and  
cake at the intermission by a local  
caterer.

Launch Party by Miss Tubbs.  
Miss Olive Tubbs, of the Drawbridge  
gave an enjoyable launch party to a  
number of her girl friends, last Thurs-  
day evening, on her father's launch,  
the Virginia, going to Ocean beach.  
On the return, singing and games were  
indulged in. A light lunch was served  
on board. Among the party were the  
Misses Agnes, Edith and Jennie Holm-  
berg, Lydia and Rose Ballou, Etta  
Ada and Dora Fish, Mabel and Agnes  
Partridge and Miss Ethel Stoddard of  
Norwich. Every one had a most en-  
joyable time.

Grandpa Edward Was Too Late.  
This sadly disloyal story found its  
way from quite excited lips to rather  
humbler ears, and so to me. At lunch-  
on at Bunting house, a fine time  
and one of the young Princes of Wales  
began:

"Oh, grandpa—When the king  
interposed with some words, 'Little  
boys should be seen, not heard. Go on  
with your luncheon and don't talk.'  
Collapse of the small prince. But  
to him presently the king, relenting,  
said:

"Well, now you can say what you  
were going to say."  
The prince, with a world of mean-  
ing, answered:

"Too late, grandpa, too late."  
The king—'Nonsense! If it was  
worth saying five minutes ago, it is  
worth saying now.'  
The prince, firmly—'No, grandpa:  
there was a great enormous slug in  
your salad and you've eaten him.'  
Herald Cable.

A waterpump struck the earth near  
the home of J. W. Addick in Redmond  
Gut, 28 and 30, and a fine time  
and a hole four feet deep and 30  
feet square. The spout must have  
lifted again in its entirety, as no trace  
was left of where the water went into  
the ground or ran off.

## NORWICH TOWN

Opening Night of Parish Festival—  
Celebration of Birthday—Float to  
Represent Church Which Was Also  
Watch Tower and Garrison.

On Tuesday evening the grounds  
about the parish hall of Sacred Heart  
church were attractively lighted with  
many Chinese lanterns festooned from  
the trees, it being the first night of  
the annual festival given by the ladies  
of the parish.

Prettily decorated tables were  
placed in different parts of the hall. At  
the ice cream table were Mrs. Daniel  
Dowdall and Mrs. J. H. Butler, as-  
sisted by the Misses Nellie Shahan,  
Catherine Casey, Mary White and Lu-  
etta Dowdall. Miss Ruth Primocely was  
in charge of the candy table. In charge of the  
lemonade was Miss Julia Kingley. J.  
W. Murphy and John Mullin took tick-  
ets at the door.

Birthdays Party.  
Mr. and Mrs. Henry Heamer of Plain  
Hill gave a birthday party on Satur-  
day evening for their cousin, Frank  
Dawley. About thirty guests were  
present. Games were played and mu-  
sic enjoyed. The menu included sand-  
wiches, strawberries, watermelon, cake  
and lemonade, and ice cream.

Work on Float Begun.  
A committee on Monday evening to  
begin work on the church float for  
the anniversary. It will represent  
the church built on the rocks about  
the year 1673. The first church was  
placed on the Green, and in use  
only twelve or fourteen years. Then  
it was thought best to build this  
church on the rocks so that it might  
stand as a watch tower and garri-  
son post.

## CATARRH MICROBES

A Dead Microbe is the Best Microbe  
—Hyomel Kills Them All.

Hyomel (pronounced High-o-mel) is  
a killer of catarrh germs, because when  
you breathe it in its antiseptic and  
germicide properties reach every nook  
and crevice of the mucous membrane,  
from the mouth and nose deep into the  
lungs.

Hyomel brings the Australian forests  
of pine and eucalyptus to your home.  
It is made of the active principles ex-  
tracted from these trees.

No one who lives in or near these  
forests suffers from catarrh. No one  
who breathes in Hyomel, the real for-  
est air of Australia, will have catarrh  
for long after the treatment starts.

If you want to cure catarrh, croup,  
bronchitis, coughs, colds, asthma, hay  
fever, or relieve consumption, try Hy-  
omel, the common-sense cure, the cure  
that reaches the spot.

A complete Hyomel outfit, including  
a hard rubber inhaler, costs only \$1.00,  
and extra bottles of Hyomel, if after-  
wards needed, cost but 50 cents. Guar-  
anteed to cure or money back. Sold  
by leading druggists everywhere. Sold  
and guaranteed in Norwich by The  
Lee & Osgood Co.

**MI-ONA**  
Cures Indigestion

It relieves stomach misery, sour stom-  
ach, belching, and cures all stomach dis-  
eases or money back. Large box of tab-  
lets 50 cents. Druggists in all towns.

**First Wire Hairpin.**  
The wire hairpin was first made in  
1845 in England. Prior to that wooden  
skewers were used.

**Self-Evident.**  
If you're willing to make the best of  
it, you're not
